- Falls are the #1 cause of death among construction workers.
- In 2011, 251 construction workers lost their lives due to falls.
- Our goal is to push this number **DOWN TO ZERO** through effective training and planning.

Schedule a State Building and Construction Trades Council DOWN TO ZERO awareness seminar

- ▶ Offer open to eligible labor and management groups. Seminars are free of cost to you—our costs are covered by our federal OSHA training grant.
- ▶ Minimum of 15 participants is required.
- ▶ Seminars are ideal for union safety meetings, conferences, apprenticeship classes and gatherings of union and/or employer reps.
- ▶ You choose the option that best fits your group:
 - ✓ 2 *or* 4 hours
 - ✓ English *or* Spanish
 - ✓ We'll come to your event, worksite or training center
- ▶ Training uses powerpoint and interactive activities to teach about the hazards and how to prevent them.
